We hope every family had a great start to the new year! We are excited to welcome the month of February! Here are important notes for parents:

### **\*826 Allergy Awareness**

-We have a child with an all-nut allergy enrolled in 826, please refrain from sending any food items containing nuts in your child's lunch kit.

### **\*Program Planning**

-Age-appropriate group interactions as well as art/sensory activities will be planned and implemented based on children's interests every month. Our theme(s) for the month of February will be:

-PEY will be providing two snacks and lunch on Fri Feb 13th. Please see below for the menu:

PM Snack: Cheese & Crackers and Bananas

-Multiple staff will be going on vacation from Oct 2025-April 2026. Substitute educator(s) or an educator from another PEY facility will be filling in for their absence.

### **\*Communicable Illnesses Prevention**

-When there is an active communicable illness in your child's facility, the staff members will work together to ensure our equipment, furniture, toys are sanitized effectively and daily. We will increase the frequency of sanitization on certain items to prevent the germs and virus from spreading such as the toys that children put in their mouths. In addition, frequent and proper hand washing is implemented consistently in our daily routine. We appreciate your understanding that children share EVERYTHING at daycare including germs and virus.

### **\*Closures**

-A friendly reminder PEY will be closed for Family Day on Monday Feb 16th

-A friendly reminder PEY will be closed on all government announced "SNOW DAY".
